Art and Archaeology in Lincolnshire

### Releasing your inner artist!

Our heritage sites continue to reach out in a variety of creative ways. While regular life drawing classes at The Collection museum in Lincoln may be on hold, tips and inspiration from art tutor Medina Hammad are available online.

To encourage people to get creative at home The Collection has launched an Art Challenge. Anyone can get involved, you could either set your timer to create a 15-minute sketch or make a grand masterpiece. Pick a theme from whatever you have around you at home and get creative!

Email your work to [thecollection@lincolnshire.gov.uk](mailto:thecollection@lincolnshire.gov.uk) with the subject title Art Challenge so that it can be shared on these on social media. Further details can be found on [The Collection website](#).
