

## **Fun with Reading**

### **Wednesdays 10am - 11am and 1.30pm - 2.30pm**

Join Helen as she brings stories to life through play and using puppets. Over the 6 week course you will discover how to encourage early reading skills that will foster an important love of reading to last a lifetime.

Aimed at parents, carers and grandparents of babies and young children, you will share ideas and activities about sharing books and how to support learning to read.

Helen is an experienced tutor who will help you understand how phonics is taught in school and help you become confident in supporting your child's reading through fun games.
