

Power of Play

Thursdays 10am - 11am and 7.30pm - 8.30pm

The Power of Play course will show how important play is for a child's development. Have fun over the 5 weeks as you try games, activities and practical ideas for a range of play opportunities.

Led by our family learning tutor Sarah, this course is aimed at parents, carers and grandparents of babies and young children. Together you will find ways to develop maths and language skills through play indoors and in the outdoors environment too.

Book a place on the **10am** Power of Play course [here](#).

Book a place on the **7.30pm** Power of Play course [here](#).
